

The Ultimate Love

By Welby O'Brien Bayer

Are you still waiting for the love of your life? Maybe you are one of the few whose dreams have come true. Most likely you have given up.

I, too, had almost given up. Until the message I heard all my life struck me in a way that penetrated my dying heart.

Before God even formed this planet, you were in His heart. He *wanted you*. He uniquely designed you, crafted you, and now keeps your heart beating every second. The amazing thing is that way back there, He also knew what He would have to do to have you as His own. Yet He went ahead with His plan; because of you.

In His goodness, God granted each of us a free will, even though this resulted in our drive to run away from Him (sin). Of all the things He could have done, God chose to send His own Son to experience the wrath we deserve, so we could be His forever.

This is not news to you. So why are do you still yearn for something that is missing? Tonight when you are all alone on your bed, stop. Can you picture Jesus nailed to that cross? Step closer. Jesus, Son of God, your Creator, is hanging there filthy, in excruciating pain, and abandoned.

Look up. Let your eyes meet His. Hear Him say to you, “_____, I love you.”

Come to Him as you are, filthy, in pain, and abandoned. *He wants you*. What more do you need for Him to do to prove that?

Let Him love you.

For God so loved the world that HE gave His only Son, that whoever believes in Him should not perish, but have everlasting life.

(John 3:16)

You have just begun your journey with your Ultimate Lover.
